

# Educational Spectrophotometer Accessory Kit and System

OS-8537 and OS-8539

Quick Start . . . . .	1
Introduction . . . . .	3
Description . . . . .	4
Set Up	
Mounting the Rotary Motion Sensor . . . . .	5
Mounting the Degree Plate and Light Sensor Arm . . . . .	6
More Information About the Degree Plate . . . . .	6
Mounting the Aperture Bracket Light Sensor Mount and Light Sensor . . . . .	7
Mounting the Grating Mount . . . . .	8
Mounting the Spectrophotometer Base on the Optics Bench . . . . .	8
Rod Stand Mounting Clamps . . . . .	8
Mounting the Collimating Slits and Lens . . . . .	9
Positioning the Collimating Slits and Lens . . . . .	9
Mounting the Grating . . . . .	10
Mounting and Positioning the Focusing Lens . . . . .	10
Procedures	
Turning the Degree Plate . . . . .	11
Masking the Light Source or the Spectrophotometer . . . . .	11
Using the Data Acquisition Program . . . . .	11
General Information About the Light Sensor . . . . .	12
General Information About Slit Widths . . . . .	12
Scanning a Spectrum . . . . .	12
Calibrating the Grating . . . . .	13
Angular Resolution . . . . .	13
Cuvettes . . . . .	14
Other Information . . . . .	14
Activity 1: Emission Spectrum . . . . .	15
Activity 2: Absorption (Dark Line) Spectrum . . . . .	19
Teacher's Guide . . . . .	23
Technical Support . . . . .	27
